Court Appointed Special Advocates - CASA (913-715-4040) <https://www.casajwc.org/>

6950 Squibb Rd. - Suite 300, Mission KS 66202

CASA volunteers are appointed by judges to advocate for children's best interests. They stay with each case until it is closed and the child is in a safe, permanent home. We serve children from birth through the age defined by state statute as the limit to youth remaining in care. Volunteers work with legal and childwelfare professionals, educators and service providers to ensure that judges have all the information they need to make the most well-informed decisions for each child. Our best-interest advocacy is driven by the guiding principle that children grow and develop best with their family of origin, if that can be safely achieved. Most of the children we work with are in foster care, but some are with their family of origin. And, most children who leave foster care do so to return to their family.

303 W 79th Street, Kansas City MO 64114

Happy Bottoms provides a monthly supply of 50 diapers or 30 training pants to low-income children through 63 social service agency sites. Our partners provide healthcare, emergency assistance, education, childcare and case management services to families in need. Our partner model has a ripple effect on families by providing access to other services that will help lift them out of poverty. We also provide potty training education which includes video curriculum, potty training kit, potty seat, stepstool, informational booklet, board book, and sticker chart. Foster Care Case Managers should submit referrals on behalf of their clients.

Sammy's Window (913-717-5515)Steve.trenholm@fosteradopt.org901 N. 8th St. Kansas City, KS 66101

The most common struggle for foster and kinship families is a lack of support during difficult times. Kansas and Missouri provide two of the lowest stipends for foster and kinship caregivers in the United States. Sammy's Window, at FosterAdopt Connect, helps keep kids safe by supplying parents with essential items to care for foster and adoptive children. Sammy's Window does this through donations, drives and distributing items to those in need. Ensuring essential items are available to children and families in foster care is crucial in breaking the generational cycle of child abuse and neglect.

www.communitylinc.org

4012-14 Troost, Kansas City MO 64110

INTERIM HOUSING: Families live on-site for four months in a fully furnished apartment. Upon entry into the program, adults take a self-sufficiency assessment. Each family is assigned a Family Coach who partners to help them achieve their short- and long-term goals. A Housing Specialist works with families to transition them to permanent housing. While living on-site, adults and children participate in supportive services aimed at building self-sufficiency. IMMEDIATE HOUSING: In the nine-month Immediate Housing Program, families with fewer barriers to housing meet with our Intake Specialist upon their entrance to Community LINC. These families meet with the Housing Specialist to identify housing priorities, preferences and action steps to be self-sufficient. Families are then moved directly into permanent housing and provided nine months of Aftercare Services that deliver the same core competencies as our Interim Housing program. AFTERCARE SERVICES: In-home Aftercare Services last nine months and begin with weekly meetings with Case Managers. Lack of support during this crucial period often results in recurrent homelessness. Community LINC employs the Critical-Time Intervention case management model, which involves focused, time-limited assistance during the family's critical transition to community living. Aftercare Case Managers link families with community resources and provide ongoing advocacy.

Cross-Lines Community Outreach (913-281-3388)www.cross-lines.org

736 Shawnee Ave., Kansas City KS 66105

Promotes housing and family stability by providing rent and utility assistance as well as homeless re-housing services. Many low-income families are one paycheck away from a financial crisis. An unexpected expense due to a car repair or sudden illness is often enough to cause many families to become unstably housed, or even homeless. Our Case Managers work to address the immediate needs and help families find long-term financial stability to stay together in their homes. Through the rental assistance program, Cross-Lines works with families to prevent eviction when they have received an eviction notice. This program prevents homelessness and promotes family stability. This program is limited to residents of Wyandotte County.

Economic Opportunity Foundation (913-371-0848)www.eofkck.org

950 Quindaro Blvd., Kansas City KS 66102

Hillcrest Transitional Housing offers homeless families, singles and youth a disciplined educational program within a caring, supportive environment. Unlike many organizations whose focus is one-time or emergency care, Hillcrest's primary objective is to move clients from homelessness to self-sufficiency by addressing the total life situation of the homeless families they serve. At any given time, there are approximately 100 households in our care. Hillcrest provides a transitional housing program that focuses on moving clients to self-sufficiency within a 90-day time frame, A 24-month youth housing program for homeless teens and young adults, ages 18 to 24, who have an educational goal, and a rapid re-housing program for those in need of immediate housing. In exchange for rent- and utility-free housing, adults are required by written agreement to find full-time employment; obey program guidelines; and attend weekly volunteer-taught classes in life skills, employment, community living, and budgeting. Through a network of community supporters and funders, Hillcrest also may provide transitional housing clients with car repair/donation, food, medical assistance, dental work, GED classes, haircuts, glasses, school clothes, work uniforms, etc.

24-Hour Advocacy provides immediate crisis counseling and support to LGBTQ victims of violence. This crisis line works with survivors of any language. KCAVP helps victims obtain orders of protection. KCAVP provides personal support and assistance during court proceedings, advocates for victims in hospitals and with law enforcement. We offer free counseling sessions with a licensed therapist for LGBTQ survivors of violence. KCAVP provides assistance such as short-term housing, transportation, food and other necessities so victims can regain their sense of self and their power. Even if victims do not report incidents to the police, it is important they report them to KCAVP to identify community problems and develop appropriate responses. KCAVP does not report crimes to law enforcement unless asked by the victim to do so.

Foster Adopt Connect Behavioral Interventionist (816-350-0215 ext 322)

<https://www.fosteradopt.org/family-permanency/behavioral-interventionist>

Every child deserves to be loved and supported in the context of a safe, loving family – even when stability and permanency is difficult to achieve, because children need healthy attachment to adults. Foster Adopt Connect's in-home Behavioral Interventionist (BI) program provides intensive one-on-one services within the family home to children who struggle with behavioral and emotional management to the degree that the behaviors threaten the stability of their current placement. The Behavioral Interventionists work in the home, relieving the caregivers, and working one-on-one with the youth helping provide stability. Services include working on neuro-developmental activities, assisting in re-wiring the neuro pathways in the brain, breaking the cycle of children continually living in flight, fight or freeze mode. Direct care staff use role-modeling, coaching, re-direction, to develop self-regulation, de-escalation techniques, and developing independence in daily living activities.

Sunflower House (913-631-5800)<https://sunflowerhouse.org/>15440 W 65th St., Shawnee KS 66217

Children are referred to Sunflower House when allegations of sexual or physical abuse have been made. Our specially trained forensic interviewers conduct interviews with children in rooms that are wired to electronically record the child's statement. Often, the recorded interview is used in further investigation or for prosecution in a court of law. Referrals are accepted from law enforcement agencies or the Department for Children and Families (DCF).

Sunflower House also has an Assessment and treatment program. They provide both in-person and telehealth services. Their programs are available to school-age children (ages 7-12 years) and their caregivers. If the family is accepted into the program, children will learn: rules about sexual behavior, privacy and boundary rules, coping skills and impulse control skills, and social skills. Caregivers also learn: to distinguish normal from problematic sexual behaviors in children, appropriate responses to children's sexual behavior, ways to prevent problematic sexual behavior, and effective responses to other behavioral problems.

To refer a child, contact 913-233-3378 or hailey@sunflowerhouse.org.

Through our after-school and summer programs: We teach children to learn basic educational disciplines, enrich information taught in schools, apply learning to everyday life, and prepare kids for graduation. We believe that when children learn the basics of public speaking and debate, they're empowered to positively influence their community. Children develop habits to nurture their well-being as they grow into healthy, successful adults and learn basic computer skills that prepare children for success in the classroom and beyond. We prepare kids for graduation by supplementing basic education, enriching information taught in schools and helping apply learning to everyday life.

El Centro (913-677-0100)

1330 S 30th Street, Kansas City KS

<https://www.elcentronic.com/education-2academy-kansas-city-dual-language-school/>

The Academy for Children is a dual-language early childhood education program. Many children – perhaps even your own – are from homes where Spanish is the primary language. This can create challenges for them throughout their education journey. The Academy embraces both Spanish and English, helping your child maintain his/her home language, while also preparing him/her for the English learning environment present in Kindergarten. With a special emphasis on literacy readiness, our Pre-K program focuses on readying your children – specifically Dual Language Learners (DLL) – for future success in both school and life. Children are taught new concepts, new vocabulary, and new ways of thinking through activities designed to engage them throughout the process. Teachers follow the interests of children to create engaging and developmentally-appropriate learning opportunities.

Chiquita Miller chmiller@ksu.edu

Parent Project <https://parentproject.com/who-we-are/>

The Parent Project program is a 10-week program that is offered to parents who are struggling with their child's most destructive adolescent behaviors. Problematic behaviors require their own unique parenting skills and that is exactly what this offers. We work very hard to provide this program and offer a community of support to as many parents or guardians that want to attend. We start the program out by teaching various techniques and styles unique to home, school, friends, etc.... As the class progresses, we start setting the whole class up as its own support group that can continue to meet even after the class is complete.
